

Haris S. Vasiliadis

MD, PhD

Orthopaedic Surgeon

Curriculum Vitae

Personal Data

Born in: Thessaloniki, Greece, the 6th of February 1974

Nationality: Greek

Address: Department of Orthopaedics
University Hospital of Ioannina
University of Ioannina School of Medicine
University Campus Ioannina 45110
Ioannina, Greece
Tel: +306974354545

e-mail: vasiliadismd@gmail.com;
hvasil@cc.uoi.gr ; haris.vasiliadis@clinchem.gu.se

Qualifications

October 2008 **PhD in Orthopaedics**

Department of Orthopaedics, Medical School, University of Ioannina, Greece
Thesis: "*Comparison between open and endoscopic release for Carpal Tunnel Syndrome*"

December 2007 **Orthopaedic Surgeon , Specialist**

Department of Orthopaedics, Medical School, University of Ioannina, Greece
1 year in General Surgery and 5 in Orthopaedics

November 1998 **Medical Doctor**

Medical School, Aristotle University of Thessaloniki, Greece

Languages *English*

German

Computer Skills

- Statistical Software (*S-Plus, SPSS*)
- Systematic Reviews Software (*RevMan5, GRADEprofiler*)
- Office (*Word, Excel, Power Point*)

Professional experience

Since January 2012

○ **Lecturer in Orthopaedics**

Department of Orthopaedics, University of Ioannina School of Medicine, Greece.

Teaching and research in Orthopaedics. Teaching in undergraduate and postgraduate students of the Medical School, training for health professionals and the residents in Orthopaedics.

Since January 2012

○ **Registrar in Orthopaedics**

Department of Orthopaedics, General University Hospital of Ioannina Greece.

Full clinical position at the General University Hospital of Ioannina, Greece (outpatients, clinic, emergencies and elective surgeries).

Since November 2008

○ **Affiliated Research Associate**

Molecular Cell Biology and Regenerative Medicine, Department of Clinical Chemistry and Transfusion Medicine Institute for Biomedicine, Sahlgrenska Academy, University of Gothenburg, Sweden.

January 2011 – January 2012

○ **Registrar in Orthopaedics**

Department of Orthopaedics, General hospital of Volos, Greece

Full clinical position (outpatients, clinic, emergencies and elective surgeries).

April 2008 – November 2009

○ **Post-Doctoral Clinical and Research fellow**

Molecular Cell Biology and Regenerative Medicine, Department of Clinical Chemistry and Transfusion Medicine Institute for Biomedicine, Sahlgrenska Academy, University of Gothenburg, Sweden

Attending surgeries with Profs Lars Peterson and Mats Brittberg, primarily in knee injuries and cartilage lesions treatment.

Research on Autologous Chondrocyte Implantation (ACI) for the treatment of cartilage lesions of the knee; laboratory research (cell culturing), animal studies and clinical research and follow-up of ACI-treated patients

October 2002 – January 2008

○ **Resident in Orthopaedics**

Department of Orthopaedics, General University Hospital of Ioannina Greece.

- October 2002 – January 2011 ○ **Clinical and Research Associate**
Orthopaedic Sports Medicine Center of Ioannina, University of Ioannina, Ioannina, Greece
Participated in clinical studies and lab research (biomechanics, gait analysis) based on patients treated in the University hospital of Ioannina
- August 2000- May 2002 ○ **Resident in General Surgery**
General hospital of Komotini, Komotini Greece
- December 1998-August 2000 ○ **Rural Medical Service**
General Hospital of Mitilini, Lesvos, Greece

Clinical expertise and skills

- My role as registrar at a University Hospital of Ioannina with full clinical responsibilities (emergencies, elective surgery, outpatients and clinics) equipped me with great experience in a broad range of trauma and elective cases. This includes fractures and soft tissue injuries of upper and lower limbs.
- The main focus of my surgical interest and expertise is in knee surgery. This includes arthroscopic procedures, arthroplasty and trauma.
- My postdoctoral education and experience was focused on autologous chondrocyte implantation (ACI) and cartilage repair in general.
- I am performing endoscopic release of carpal tunnel syndrome (part of my PhD thesis and currently running a randomised control trial)

Main fields of my surgical interests and skills;

Knee arthroscopy

meniscal, ligament ruptures, cartilage lesions

Knee sports injuries

Elective surgery of the knee

knee arthroplasty, osteotomies, patellofemoral instability

Trauma of the lower limb

fractures of hip, femur, knee, tibia

Endoscopic release of carpal tunnel

Fellowships and Awards

- **ICRS Sanofi-Lars Peterson travelling fellowship 2012**

Visiting Cartilage Repair Centers in four US cities (6th to 20th January 2013).

Finished at the 13th International Sports Medicine Fellows Conference in Carlsbad, CA.

Godfather: Lars Peterson.

- **Distinction in the 3rd Hellenic Forum of Public Health and Social Medicine**, Athens December 2012 for the presentation “*Evaluation of inconsistency in networks of randomized trials*” Areti-Aggeliki Veroniki for the oral presentation and co-authors Vasiliadis HS, Higgins JPT and Salanti G.
- **European Arthroscopy Fellowship – travelling fellowship**, sponsored by ESSKA (European Society of Sports Traumatology Knee Surgery and Arthroscopy)
*Participated as the fellow chosen from the ESSKA.
Five fellows started from the AGA 2010 congress in Vienna and visited Orthopaedic Departments in six European countries (8th September to 2nd October 2010).*
- **3rd award for oral presentation in the Greek Arthroscopic Association Congress**, Crete, June 2009 for the presentation “*Autologous Chondrocyte Implantation. Long term follow up, 10-20 years postoperatively*” by Vasiliadis HS, Brittberg M, Lindahl A, Peterson L.
- **“Rekoutis award” in the Greek Arthroscopic Association Congress**, Athens, June 2007. for the presentation “*Alteration of the position of femoral tunnel does not fully restore the rotational instability of the knee in patients with reconstruction of anterior cruciate ligament with patellar bone graft*” by Ristanis SE, Siarava E, Moraiti K, Vasiliadis HS, Stergiou N, Georgoulis AD
- **Annual scholarship for residents in Orthopaedics**, Hellenic Society of Orthopaedics and Traumatology, 2007 (after performing in national exams).

Memberships to Editorial boards

- **Arthroscopy**: The Journal of Arthroscopy and Related Surgery
Official journal of the Arthroscopy Association of North America and the International Society of Arthroscopy, Knee Surgery, and Orthopaedic Sports Medicine
www.arthroscopyjournal.org/edboard
- **The Cochrane Database of Systematic Reviews (Bone, Joint and Muscle Trauma Cochrane Group)** www.bjmtg.cochrane.org/more-about-us
- **World Journal of Orthopaedics** www.wjnet.com/2218-5836/about.htm
- **Dataset Papers in Medicine** www.datasets.com/journals/medicine/editors/orthopedics/

Invited speaker and lecturer in conferences and seminars

- **Autologous Chondrocyte Implantation in primary Osteoarthritis**
10th Symposium of Hellenic Orthopaedic Research Society and the Master Course on Sagittal Balance, Ioannina, 22-23 November 2013
- **Treatment approach of cartilage lesions in respect to concomitant problems of the joint**
Educational Courses of Hellenic Arthroscopic Society, Athens, 1 November 2013

- **Chondroprotection – Clinical overview**
11th ICRS World Congress Izmir, Turkey, 15-18 September 2013
- **Feedback from the ICRS travelling fellowship**
11th ICRS World Congress Izmir, Turkey, 15-18 September 2013
- **1st Generation ACI for full thickness cartilage lesions of the knee. Long term evaluation and prognostic factors.**
13th International Sports Medicine Fellows Conference, Carsbad, California, USA, 18-20 January 2013,
- **Autologous Chondrocyte Implantation in clinical practice. Review of the literature.**
5th Congress of Hellenic Arthroscopic Society, Larissa, 3-6 April 2013
- **Cartilage lesions and Osteoarthritis**
Open University, Municipality of Peristeri, Athens, 8 May 2012
- **Systematic Literature Review and meta-analysis**
Study design reviewing and writing in Orthopaedics, Arthroscopy and Sports Medicine, Ionian University, Corfu, 30-31 March 2012
- **Regenerative Medicine; Application in Orthopaedics and Perspectives**
17th Seminar of Biomechanics of Spine and Bioengineering & 9th Symposium of Orthopaedic Research of Hellenic Orthopaedic Research Society, Athens, 2 December 2011
- **Regenerative Medicine; Application in Orthopaedics and Perspectives**
KEOX – Round table / Educational Courses of Hellenic Arthroscopic Society, Athens, 10 November 2011
- **Design of Randomised Control Trials**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 27-29 May 2011
- **Introduction in Systematic review and Meta-analysis**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 27-29 May 2011
- **Autologous Chondrocyte Implantation**
30th annual congress of Orthopaedic and Trauma Society of Macedonia and Thrace, Chalkidiki 29 April-1 May 2011
- **Design of Randomised Control Trials**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 28-30 May 2010
- **Introduction in Systematic review and Meta-analysis**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 28-30 May 2010
- **Biochemical MRI; Applications in cartilage repair**
“Treating Cartilage Lesions”, Papageorgiou General Hospital, Thessaloniki, 19-20 February 2010
- **First Generation Autologous Chondrocyte Implantation**
“Treating Cartilage Lesions”, Papageorgiou General Hospital, Thessaloniki, 19-20 February 2010
- **Biochemical MRI; Applications in cartilage repair**
Regenerative Medicine in Orthopaedics. Autologous Chondrocyte Implantation for the treatment of cartilage lesions. Lars Peterson – Visiting Professor in University of Ioannina, Ioannina, 17 February 2010
- **Autologous Chondrocyte Implantation for the treatment of cartilage lesions**
Regenerative Medicine in Orthopaedics. Autologous Chondrocyte Implantation for the treatment of

cartilage lesions. Lars Peterson – Visiting Professor in University of Ioannina, Ioannina, 17 February 2010

- **Evidence-based decision making in orthopedics: from expert opinion to multiple-treatments meta-analysis**

8th Winter Symposium of the Christian Medical College, Vellore and 3rd South Asian Regional Symposium on Evidence-Informed Healthcare, Vellore, India 11-14 January 2010

generative Medicine in Orthopaedics. Autologous Chondrocyte Implantation for the treatment of cartilage lesions. Lars Peterson – Visiting Professor in University of Ioannina, Ioannina, 17 February 2010

- **Autologous Chondrocyte Implantation for the treatment of cartilage lesions**

Regenerative Medicine in Orthopaedics.. Autologous Chondrocyte Implantation for the treatment of cartilage lesions. Lars Peterson – Visiting Professor in University of Ioannina, Ioannina, 17 February 2010

- **Evidence-based decision making in orthopedics: from expert opinion to multiple-treatments meta-analysis**

8th Winter Symposium of the Christian Medical College, Vellore and 3rd South Asian Regional Symposium on Evidence-Informed Healthcare, Vellore, India 11-14 January 2010

Other invitations and contribution to international conferences

- **Moderator in special session** “Lessons from Failure: Why is Cartilage Repair Unsuccessful?” (Speakers; A Gomoll, P Niemeyer, M Steinwachs)

11th ICRS World Congress Izmir, Turkey; September 15-18 2013

- **Invited Representative of the *Cochrane Bone, Joint and Muscle Trauma Group of the Cochrane Collaboration***

21th Cochrane Colloquium, Quebec, 19-23 September 2013

Reviewer for grant applications in National Research Councils

- The Danish Council for Independent Research
- Romanian Council for Scientific Research

Reviewer for international Journals

- Osteoarthritis and Cartilage
- Arthroscopy: The Journal of Arthroscopy and Related Surgery
- Cartilage
- KSSTA (Knee Surgery, Sports Traumatology, Arthroscopy)
- Cochrane Collaboration (Bone, Joint and Muscle Trauma Group)
- Sports Medicine, Arthroscopy, Rehabilitation, Therapy & Technology
- World Journal of Orthopaedics
- The Physician and Sports Medicine
- Biomechanics and Modelling in Mechanobiology (BMMB)
- African Journal of Biotechnology (AJB)

Membership to Scientific Societies

Organising Committees

- 3rd Seminar of Foot and Ankle Surgical Anatomy
Department of Orthopaedics, University of Ioannina, Greece, 22-25 December 2012
- 4th symposium of osteonecrosis – with workshop on cadavers
Department of Orthopaedics, Laboratory of Anatomy, Histology and Embryology, University of

Ioannina, Greece, 16-17 December 2006

- “MRI and sonography in sports medicine and development dysplasia of the hip”
Orthopaedic clinic, Department of clinical Imaging, University of Ioannina, Greece, 10-11 February 2006
- Scientific Meeting of Hellenic Society for the Study of Bone Metabolism (EEMMO)
“Clinical approach of metabolic bone diseases”, Ioannina, 19 November 2005
- 2nd Seminar of Hand Surgical Anatomy (with workshop)
Department of Orthopaedics, Laboratory of Anatomy, Histology and Embryology, University of Ioannina, Metsovo, Greece, 28-31 October 2004
- 1st Seminar of Hand Surgical Anatomy (with workshop)
Department of Orthopaedics, Laboratory of Anatomy, Histology and Embryology, University of Ioannina, Metsovo, Greece, 25-28 October 2003

Instructor in Workshops

I have participated as instructor in more than 30 national workshops.

- **Treatment of Cartilage lesions – Hands on**
50 Congress of Hellenic Arthroscopic Society, Larissa, 3-6 April 2013
- **3rd Seminar of Foot and ankle Surgical Anatomy,**
Department of Orthopaedics, University of Ioannina, 22-25 Dec 2012
- **Methodology of research and critical appraisal of literature**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 27-29 May 2011
- **Methodology of research and critical appraisal of literature**
Postgraduate Seminar, Primary health care/Methodology of research. University of Thessaly, Larissa, 28-30 May 2010
- **Surgical techniques for the treatment of cartilage lesions.**
“Treating Cartilage Lesions”, Papageorgiou General Hospital, Thessaloniki, 19-20 February 2010
- **Cadaveric Lab in Shoulder Arthroscopy**
Annual Symposium of department of arthroscopy and knee surgery, Nafplio 20-22 June 2003
- **Instructor in a series of Workshops organized by the Orthopaedic Department of University hospital of Ioannina between 2002 and 2008**
Seminars of Hand Surgical Anatomy (with workshop) Department of Orthopaedics, Laboratory of Anatomy, Histology and Embryology, University of Ioannina
Training weeks in microsurgery – Department of Orthopaedics, Microsurgery Laboratory, University of Ioannina

Publications in Journals and Books**Doctoral Thesis**

“Comparison between Open and Endoscopic release for carpal tunnel syndrome”, University of Ioannina School of Medicine, Greece (2008)

Book chapters

1. Peterson L & **Vasiliadis HS**: Football Traumatology - 2nd Edition, Chapter title; “Knee Cartilage Repair”; Edited by Pietro Volpi, Springer (2014) *In Press*
2. Peterson L & **Vasiliadis HS**: International Experience with Autologous Chondrocyte Transplantation; Insall-Scott Surgery of the Knee, fifth edition; chapter 21; Elsevier (2012)
3. Peterson L & **Vasiliadis HS**: Long term results after Autologous Chondrocyte Implantation in cartilage lesions of the patellofemoral joint; Patellofemoral Pain, Instability, Arthritis - Clinical Presentation, Imaging, and Treatment ; chapter 25; Springer (2010)
4. Peterson L & **Vasiliadis HS**: Proximal open trochleoplasty (grooveplasty); Patellofemoral Pain, Instability, Arthritis - Clinical Presentation, Imaging, and Treatment; chapter 23b; Springer (2010)
