

ABBREVIATED CURRICULUM VITAE – EVANGELIA NTOUNOUSI

PERSONAL INFORMATION

First Name:	Evangelia
Last Name:	Ntounousi (Dounousi in Pubmed)
Year of Birth:	8 th July 1972
Marital status	Married

HOSPITAL ADDRESS (Current Position)

Hospital:	University Hospital of Ioannina		
Clinic/Department:	Nephrology Department		
Address:	StavrouNiarchou Avenue		
Postal Code:	45500		
City:	Ioannina		
Country:	Greece		
Telephone Number:	+30 2651099653	Fax Number:	+30 2651099395 +302651099890
E-mail Address:	evangeldou@gmail.com , edounous@cc.uoi.gr		

ACADEMIC QUALIFICATIONS

Degree and / or Certification	Institution	Year of Completion
Medical School	Aristotelian University of Thessaloniki, Greece	1996
Ph. D in Medicine	University of Ioannina, Greece	2008

CURRENT POSITION

	Institution	Start Date – End Date
Assistant Prof of Nephrology	University of Ioannina, Ioannina, Greece	9/2016-up to now
Director of Nephrology Dept	University Hospital of Ioannina, Ioannina, Greece	9/2016 –up to now

PROFESSIONAL EXPERIENCE

Position held	Name of Department / Institution	Start Date – End Date
House Officer	General Hospital of Karditsa, GR	1/1997 – 3/1998
House Officer, Internal Medicine	General Hospital of Veria, GR	4/1998 – 4/200
Senior House Officer, Dept of Nephrology	General Hospital of Veria, GR	6/2000 – 4/2004
Senior Registrar in the Dept of Nephrology	General Hospital of Veria, GR	12/2004 – 12/2005
Experienced Senior House Officer	Renal Unit, Western Infirmary Glasgow, UK	8/2006 – 8/2007
Visiting Consultant Nephrologist and Transplant Physician	West London Renal and Transplant Centre, Hammersmith Hospital, London, UK	3/2009 – 4/2009
Visiting Consultant Nephrologist	Renal Unit, Western Infirmary Glasgow, UK	4/2009 – 6/2009
Senior Registrar in the Dept of Nephrology	University Hospital of Ioannina, GR	7/2009 – 6/2010
Lecturer in Nephrology and Renal Transplantation	University Hospital of Ioannina, GR	6/2010 – 6/2016

SCIENTIFIC WORK DESCRIPTION

Clinical nephrology

Training of pre-graduate medical students and trainees in nephrology

Guidance of post-graduate medical students in a number of research protocols (PhD projects)

MAIN RESEARCH INTERESTS

Epidemiology of Chronic kidney disease (CKD)

Risk factors for CKD, progression to end stage renal disease, diagnosis and treatment of CKD complications

Cardiovascular risk factors/biomarkers and cardiovascular disease in pre-dialysis

CKD, dialysis and renal transplant patients

Quality of Life in patients with CKD and Renal Transplantation

PROFESSIONAL SOCIETY MEMBERSHIPS

Member of the Hellenic Society of Nephrology, since 2000

Member of the Educational Board of the Hellenic Society Nephrology since 2015

Member of the Hellenic Society of Transplantation, since 2006

Member of the European Dialysis Transplant Society (EDTA), since 2002

Member of the European Society Transplantation (ESOT), since 2016

Full Member of the General Medical Council, UK, since 2007

FOREIGN LANGUAGES

Language	Fluency / Degree
English	Lower Cambridge
Italian	

ADDITIONAL TRAINING / QUALIFICATIONS

Completion Date	Title / Content:
August 2006 – August 2007	Scholarship: Fellowship of Hellenic Society of Nephrology on "Clinical Nephrology and Transplantation" - Renal Unit, Western Infirmary Glasgow, UK.
January 2017	ISN-ANIO Clinical Nephropathology Certification Program (CNC)
February 2019	Member of the Scientific Board of the Educational Nephrology Portal of the ERA-EDTA / Area: Diabetes Mellitus-Arterial Hypertension-Cardiovascular Disease and Chronic Kidney Disease
2002 – up to now	More than 60 invited talks to national and international Nephrology Congresses, more than 150 original abstracts presented in national and international Nephrology Congresses, more than 60 articles published in scientific international peer reviewed journals
Reviewer to International Medical Journals	Reviewer to more than 15 International Medical Journals (i.e NDT, Kidney Int, PLOS one, CJASN, BMJ, Eur J Clin Invest, OMCL)

MOST CURRENT CLINICAL TRIAL EXPERIENCE

Study Name or Code	Participation Period	Role in the study	Therapeutic Area:	Clinical Phase	Study Status
Open, randomized, parallel group study to investigate the effect of early correction of anemia with erythropoietin-beta in reducing the cardiovascular risk in patients with anemia of chronic renal failure not undergoing renal replacement treatment	3 years	SubI	Anemia - CKD	IV	Closed
Double-blind study evaluating the effect of normalization of hemoglobin compared to partially correct with Eprex / Erypo in the structure of the left ventricle in patients recently initiated dialysis	3 years	SubI	Anemia - CKD	IV	Closed
A randomized, controlled study with active substance,	3 years	SubI	CKD -	IV	Closed

double-blind multicenter phase IV trial comparing two dosing methods ZEMPLAR® in patients with chronic renal disease of stage V on dialysis			MBD		
Prospective, observational study to evaluate hemoglobin levels in patients with chronic kidney disease and renal anemia who are not undergoing dialysis treated with MIRCERA	2 years	SubI	Anemia - CKD	IV	Closed
A randomized, open-label (sponsor blind), active-controlled, parallel-group, multi-centre, event-driven study in dialysis subjects with anaemia associated with chronic kidney disease to evaluate the safety and efficacy of daprodustat compared to recombinant human erythropoietin, following a switch from an erythropoietin-stimulating agent	2 years	PI	Anemia - CKD	III	In Progress
A randomized, open-label (sponsor blind), active-controlled, parallel-group, multi-centre, event-driven study in non-dialysis subjects with anaemia associated with chronic kidney disease to evaluate the safety and efficacy of daprodustat compared to recombinant human erythropoietin.	2 years	PI	Anemia - CKD	III	In Progress
A Randomized, Double-Blind, Placebo Controlled Study to Evaluate Efficacy and Safety of Nefecon in Patients with Primary IgA Nephropathy at Risk of Progressing to End-Stage Renal Disease (NefIgArd)	6 months	PI	Glomerulonephritis - CKD	III	In Progress
